Your Information Pack is related to your search:

Your selected tire

MICHELIN ENERGY XM2

Passenger

The safest and most durable tire for cars

Stops 4m before in wet roads

More resistant to shocks

20% more durable

Key benefits

Michelin always aims to bring together multiple performances.

At MICHELIN, we continuously push safety, durability and fuel efficiency, and even more performances, all at the same time and with no trade-offs. That's what we mean by MICHELIN Total Performance, which has and will always be our difference on every tire.

Safer on wet surfaces

Brakes up to 4 meters shorter than leading competitors' tires.

Much more impact resistant

More impact resistant than the average product of its main competitors, decreasing the possibility of accidental tire damage.

More durables

20% more durable than the average product of its competitors, providing an excellent cost-benefit ratio.
